Dear Friend:

We are a registered 501(c)(3) non-profit charitable organization located in DeFuniak Springs, Florida, that was created to provide assistance to individuals and families, primarily through food donations, but also through love and compassion as well.

We are hoping for your support of our 3rd Annual Run Out Hunger in Walton County!

- ❖ We are selling Gold (\$500.), Silver (\$250.), and Bronze (\$100.) ads for the back of our race day tee shirt. We anticipate 300 plus shirts will be printed and given to our registered race participants! For any of these donations, we will give you a shirt and a space on our website's sponsor page. Also, we can link your website to ours! Your ad donation will help make this event possible for citizens of all ages in our community!
- ❖ Please also consider to donate an item as a door prize. Any item would be much appreciated, or you may donate any fruit, bottled water or sports drink that may be used at our refreshment tables.

We hope to have all sponsorships by July 1, 2016 so that we can include our sponsors in all publications. All donations to Helping Hands are tax deductible and we will provide you with a letter detailing any donations for your records. Thank you for considering our event in your donations this year!!

Sincerely from our hearts,
